Responding to the COVID-19 Infodemic: The Network of the National Library of Medicine (NNLM) is excited to announce a new, free virtual symposium focused on addressing the COVID-19 Infodemic in our communities. Through paper session, panels, and a networking space, symposium attendees can expect to come away from this experience with a better understanding of COVID-19 as well as strategies and programs that can be used to engage with communities. You can register to attend and learn more about the symposium on the event page.

Save the date for the next NNLM Wikipedia Edit-a-thon, coming up on March 31, 2021! Follow #CiteNLM to get the latest details as they become available.
