1st Annual National Poison Prevention Week Health and Safety Resource Fair!!!

Hello Community Partners,

All of us at the New Jersey Poison Control Center invite you to join us for the 1st Annual National Poison Prevention Week Health and Safety Resource Fair!!!

Saturday, March 25, 2023

11am-3pm (setup starts at 10am)

Middlesex County Fire Academy

1001 Fire Academy Drive

Sayreville, NJ 08872

This event will help to promote National Poison Prevention Week (NPPW) and the FREE lifesaving services offered by the NJ Poison Control Center. However, We NEED YOUR HELP to truly make this event a success! This event will provide the exciting opportunity for organizations around the state to share important information and resources.

We'd love to have vendors to address all dimensions of wellness, including healthcare organizations, insurance companies, job resources, utility assistance programs, fitness and nutrition specialists, educational resources, and any other organizations working to better the communities they serve.

Please share the attached flyers and promote within your networks!

To access the partner toolkit and social media images/carousels, please [click here](#). When using these materials, we kindly ask that you tag us and include our website in your post message.

If you have any questions OR are interested in providing a brief presentation, interactive activity, training or demonstration please reach out to Danielle Bartsche, drb144@njms.rutgers.edu or Edward Greene eg628@njms.rutgers.edu.

Thank you for your consideration and we hope to see you there!!!

2023 NJPN ANNUAL
ADDICTION CONFERENCE

2-DAY
VIRTUAL CONFERENCE

MAY 18 & 19, 2023

Hello Kevin,

We are excited to announce the 2023 NJPN Annual Addiction Conference: Engage + EMPOWER will be held virtually on May 18 & May 19, 2023.

NJPN's Annual Addiction Conference educates prevention, treatment, and recovery support professionals about critical issues surrounding substance use disorders, while providing a unique forum for networking, collaboration, and workforce development.

This year we are offering registration at no cost for attendees.

Please be sure to mark your calendars -- registration will be opening shortly!

Join us to:

- Hear the latest about critical issues surrounding substance use disorders during workshop sessions and live Q&As.
- Engage with experts and partners by visiting virtual program exhibit booths.
- Take away educational materials, access downloadable resources, and learn about NJ service providers via the Resource Center.
- Earn renewal credit through live event workshops and on-demand sessions available 30 days after the event.
- Discover jobs and connect with addiction service providers with the Career Connections booth.
- Win fantastic prizes and much more!

Public Health Communications COLLABORATIVE

Answers to Tough Questions: COVID-19 Emergency Declarations

On Monday, the Biden administration announced that it plans to end the COVID-19 national emergency

declarations on May 11, 2023. Health departments, health care providers, community organizations, and others may receive questions about what this means for their constituents. Public health leaders might also be asked for their opinion about whether President Biden's policy announcement was the right decision.
